## 3. Research Assistant at Ewha School of Business

- Description: I worked as a research assistant for the research project for Professor Paul Moon Sub Cho, "Do Bank Loans Curb Corporate Moral Hazard? A Theory and Comparative Evidence from U.S. and Korean Listings."
- Start and end date: August 2016 to August 2016
- Working hours per week: 20 hours
- Unpaid

(b)

I have not participated in extracurricular works while taking undergraduate classes.

(c)

I believe the various research assistant experiences in and out of academia back in my undergraduate years have formed a concrete foundation for my research skills and have brought up my interest in corporate business and its legal relations.
